Greetings,

It's a new month, and that means new **America's Energy Link** social media content promoting the campaign. We ask that you continue to help us spread the word about the campaign via your relevant company and personal social media channels.

Provided below are some overall posting suggestions, new sample messages with active links and recommended images to share on your social media presences.

Thank you for your ongoing support of INGAA and of our efforts to increase awareness for the America's Energy Link campaign. Remember to check INGAA's [Facebook](#), [Twitter](#) and [LinkedIn](#) pages often and feel free to share our America's Energy Link messages with your co-workers, friends and more!

Posting Suggestions

- Use your own discretion when determining dates and times for posting based on your specific audiences.
- Use the **#EnergyLink** hashtag as appropriate.
- The following are shortened links to the main campaign page and the campaign
